DETAILED ACTION

Election/Restrictions

1. Claims 27-39 and 41-44 allowable. The restriction requirement, as set forth in the Office action mailed on 4 June 2003, has been reconsidered in view of the allowability of claims to the elected invention pursuant to MPEP § 821.04(a). **The restriction requirement is hereby withdrawn as to any claim that requires all the limitations of an allowable claim.** Claims 28-39, directed to a touch-input type liquid crystal display device no longer withdrawn from consideration because the claim(s) requires all the limitations of an allowable claim.

In view of the above noted withdrawal of the restriction requirement, applicant is advised that if any claim presented in a continuation or divisional application is anticipated by, or includes all the limitations of, a claim that is allowable in the present application, such claim may be subject to provisional statutory and/or nonstatutory double patenting rejections over the claims of the instant application.

Once a restriction requirement is withdrawn, the provisions of 35 U.S.C. 121 are no longer applicable. See *In re Ziegler*, 443 F.2d 1211, 1215, 170 USPQ 129, 131-32 (CCPA 1971). See also MPEP § 804.01.

2. This application is in condition for allowance except for the presence of claims 45-52 directed to a method of fabricating a touch-input type liquid crystal display device non-elected without traverse. Accordingly, claims 45-52 have been cancelled.

Allowable Subject Matter

1. Claims 27-39 and 41-44 allowed.
2. The following is an examiner's statement of reasons for allowance: The prior art of record, taken alone or in combination, fails to teach or disclose in light of the specifications, a touch-input type liquid crystal display device comprising a transparent re-peel sheet adhesively bonding overall one of a member on which the stationary electrode portion has been directly formed on and the liquid crystal display or all of the member, the liquid crystal display and an other member disposed between the member and the liquid crystal display.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
